## **ASSET UPGRADE 2.7.1 (September 18-06)**

ASSET 2.7.1 has been migrated to the production environment. Changes to the system include the following:

- (1.) There are new edits that will prevent the use of the Veterans funding source on service records, unless the individual is in Title 38 Veteran status, Other Eligible Individual status, or Transitional Service Member status;
- (2.) Category/Services-We have limited the use of the Veterans fund source so that it will no longer be available on Core Self- or Informational.
- (3.) Similarly, we have limited the use of the TAA funding source to only those services that are considered TAA approved services by recent policy. These include:
  - Eligibility Screening (will not count toward participation);
  - Assisted Job Search and Placement;
  - Assessment - Comprehensive & Specialized;
  - IEP Development;
  - Out of Area Job Search Assistance;
  - Relocation Assistance;
  - TRA Training Waiver Request;
  - ATAA; Subsistence (TAA);
  - Transportation Assistance;
  - Customized Training; Occupational Classroom;
  - On-The-Job Training;
  - Remedial Education (TAA); and
- (4.) Food Stamps has been changed to Food Share.
