

## **ASSET TECHNICAL BULLETIN-02/28/07**

**From:** Bureau of Program Management & IT Coordination

**Subject:** CICS Production Interruption

In order to complete necessary work in the CICS Production, many of our CICS regions (the regions where "CICSDP" is entered to gain access) will be unavailable today, February 28<sup>th</sup> beginning at 3:30 P.M.

This primarily affects staff that uses the UI Profiling and UI Mainframe screens. They will however be available again on Friday, February 29<sup>th</sup>.

Please contact the DWD Service Desk (266-7252) if you experience CICS problems.
