Subject: Your 'Wisconsin's JobNet' Saved Searches

You are receiving this email because you signed up to receive email notices from your favorite job searches using JobNet. **Wisconsin's JobNet will be closed as of January 28, 2009, so you will no longer receive your job listing emails from JobNet.**

JobNet has been upgraded to a new site called Job Center of Wisconsin (JCW). JCW offers more job search options, increased functionality and the ability to create a resume to be matched with employers online. JobCenterOfWisconsin.com, an all-Wisconsin employment exchange, links employers in all parts of the state with anyone looking for a job, is always free to both employers and job seekers, and is available 24-hours a day.

You can easily set up new saved searches using JobCenterOfWisconsin.com:

1. Set up your own job seeker account at <http://JobCenterofWisconsin.com>. Registration is quick and easy.
2. Log in and Search for jobs using our improved Job Search functions.
3. Click the Save Search button. Here you will name your search and indicate email options, just as you did using JobNet.
4. If you have any questions/comments please feel free to contact our Call Center staff at 1-888-258-9966 (choose option 2 at the prompt) Monday-Friday from 7:45 am - 4:30 pm or via email jobcenterofwisconsin@dwd.wisconsin.gov.

Thank you for using JobCenterofWisconsin.com!
