JobNet Shutdown Schedule

The following email message was sent to Job Service Directors, Workforce Development Board Directors, and DVR Directors on Wednesday:

Greetings, Job Service, WDB, and DVR Directors. I hope this email finds you well.

As we've been discussing for several months, plans are in place for DWD to shut down JobNet 2.0, JobNet 3.0 and Seasonal JobNet. Notices were placed on the sites weeks ago informing users that the sites will be closing.

The purpose of this memo is three fold:

- As of today, JobNet 3.0 and Seasonal JobNet have been redirected to Job Center of Wisconsin. For all intents and purposes, the two sites no longer exist.
- On Wednesday, March 4th, we are planning to redirect WorkNet and ASSET to Job Center of Wisconsin. The sites will not go away, they'll just no longer link directly to the old JobNet application.
- On Wednesday, March 11th, we are planning to redirect JobNet 2.0 to Job Center of Wisconsin. At this time, JobNet 2.0 will essentially no longer exist.

Job Centers, Workforce Development Boards, partner agencies and others with links to JobNet 2.0, 3.0 or Seasonal need to update their links to Job Center of Wisconsin:

If anyone has questions or concerns, please let me know. I can be reached via the contact information below.

Thanks a lot, Brian
