Changes to the wisconsinjobcenter.org web site

Final touches are being made to a redesign of the wisconsinjobcenter.org web site. Its release is tentatively scheduled for November, 2005. No action is required.

The web address www.wisconsinjobcenter.org will not change!

The **value** of the site to your Wisconsin Job Center customers will be improved with the addition of these site features:

- Ease of navigation
- Job Seekers and Business customers each have unique page designs
- An inviting "billboard" home page
- Expanded content for business customers
- The addition of Site Map and "Help Me Find" pages
- Navigation tools to major service arenas on every page

The wisconsinjobcenter.org site provides **your One Stop connection** to Internet-based employment and training resources, including JobNet, WorkNET, WISCareers, America's Job Bank, Career OneStop, and other federal and state resources.
